Pre-Arrival Check List

☐ Obtain U.S. Visa
   We encourage you to contact your home EducationUSA.info center for country and language specific pre-departure help.
   For new F-1 and J-1 students it is important you pay your SEVIS I-901 fee before applying for your visa. Credit card payment is simple through the online process at fmjfee.com.
   This payment plus your I-20 or DS-2019 forms are required to apply for a visa at the U.S. consulate in your home country. You can enter the U.S. thirty days prior to your program start date, as shown on your I-20 or DS-2019 form.

   **Transfer students within the U.S.:**
   Submit the enclosed AEI SEVIS transfer form to the international SEVIS adviser at your current institution. Your adviser will complete the form and mail or fax the original to the University of Oregon’s AEI. The AEI will either mail you your new I-20, or have you pick it up at the AEI Main Office (107 Pacific), after your I-20 is realeased to the AEI.

☐ Apply for Housing: On or Off Campus
   The University of Oregon offers a variety of housing options, including On-Campus Housing, AEI Homestay, and Off-Campus housing. Please explore the options at aei.uoregon.edu/housing to determine what works best for you.
   See the AEI Academic Calendar for AEI homestay deadlines.

☐ Finalize your Travel Plans
   Whether you prefer to travel by plane, train, bus, or car, your final destination will be Eugene, Oregon. Be sure to plan your arrival date to insure that you are in Eugene for the start of orientation week.
