What is the Conversation Partner Program?

The Conversation Partner Program helps IEP students improve their speaking skills and learn more about American culture and student life at the University of Oregon.

AEI students meet with their conversation partner twice a week for 50 minutes.

Students can ask their conversation partner questions, practice what they’re learning in class, work on homework, visit new places around the UO campus and Eugene, and more!

Write down the names of the Conversation Partners that you meet:
