ABOUT THE INTENSIVE ENGLISH PROGRAM

We offer seven levels of English courses, beginning through advanced. The program offers a comprehensive curriculum of core classes, electives, and extracurricular programming. Each session is 10 weeks long with 18-22 hours of instruction per week. On average, students complete one level per term. Placement test during orientation determines the starting level.

Short-term programs are available for those who cannot spend 10-weeks on campus:

- 4-week Session A (IEP weeks 1-4) and Session B (IEP weeks 6-9)
- 3-week intensive Graduate Studies Preparation course offered from late August to mid-September
